Year 2 Admission Assessment: Assessor booklet

Candidate name	
Date of birth	
Year group applied for	
Current school	
Date of assessment	
Assessor	

For a child joining **Year 2** (about 6 years old). Most have finished the top year of a Chinese kindergarten (大班); some come from bilingual kindergartens, and a child joining mid-year may have started Grade 1. The visit takes **about 50 minutes** (47 minutes of tasks, plus the welcome and a short break). It is **1:1, or a pair for some tasks** (see the box below). **Print one copy of this booklet per child**: you write the listening score, notes and the score summary in it. The child writes the listening, maths and writing answers in the Year 2 student booklet, and you write the marks in the mark boxes on the child's pages.

1. At a glance

Order	Task	Minutes	1:1 or pair	Materials	Student booklet	This booklet
1	Welcome	1	either		page 1 (you write the child's name)	Section 2
2	Speaking: picture talk	4	always 1:1		page 2	3.1
3	Listening: follow instructions	4	1:1 or pair	crayons: red, blue, yellow, green	page 3	3.2
4	Reading: Early Reading Screen, then Graded Sentence Reading Screen	12	always 1:1	shared cards and records, levelled books, plain card	(separate cards)	3.3
5	Movement break	2	either	water		Section 2
6	Maths	15	1:1 or pair	pencil, rubber, 20 counters	pages 4 to 10	Section 4
7	Writing	6	1:1 or pair	pencil	pages 11 and 12	3.4
8	Play-based interview and goodbye	6	always 1:1	crayons, interview record	page 13	Section 5
	Total	**about 50**				

The order follows the blueprint for Years 1 to 3. This booklet puts all the English tasks together in Section 3, so **writing (3.4) comes after maths on the day**.

Assessing two children together

Use a pair only when you need to (for example, twins or a busy admissions day). Each child has their own student booklet and sits where they cannot see the other child's page.

- **Together:** listening, maths and writing. Give each instruction once to both children. In listening item 9, watch both children to see which part each does first.
- **Always 1:1:** picture talk, the reading screens and the interview. While one child does these, the other child draws on page 13 with a second adult (or with their parent) in the room; in the interview, talk about that drawing or let the child add to it.
- **Order for a pair:** welcome; picture talk (one child, then the other); listening; reading screens (one child, then the other); break; maths; writing; interviews. The picture talk still comes before the writing, so both children have talked about the story before they write about it.

What to print

For each child	For the room (reuse; laminate the cards)
Year 2 student booklet: A4, single-sided, in colour if possible (the pictures also work in greyscale)	Early Reading Screen cards (`shared/Early_Reading_Screen_Cards.md`)
This assessor booklet	Graded Sentence Reading Screen card (`shared/Sentence_Reading_Card.md`)
Early Reading Screen record (`shared/Early_Reading_Screen_Record.md`)	Levelled reading books (`01_Reading_Books_and_Materials`)
Sentence reading record (`shared/Sentence_Reading_Record.md`)	20 counters, all the same colour and size, in a small pot
Interview record (`forms/Interview_Record_Y1_Y2.md`)	4 crayons (red, blue, yellow, green), 2 pencils, a rubber (per child)
Candidate Summary and Decision (`forms/Candidate_Summary_and_Decision.md`), completed after the visit	A plain card about A5 size, a small slip of paper, a watch or timer

2. Before you start

The room. Use a low table. Sit beside the child at a corner of the table, not opposite. Keep the counters and crayons out of sight until each task needs them. A young child is never alone with one adult behind a closed door: keep the door open or have a second adult in the room. Show the child where the parent will wait.

Welcome (1 minute). Say:

> "Hello! My name is ___. What's your name?" (wait) "Hello, ___. How old are you?" (wait) "Today we are going to look at some pictures, play a listening game, read, do some maths and write. Some things are easy and some things are tricky. That's OK. Just try your best."

Write the child's name on the cover of the student booklet. Note how the child first responds (English, Chinese, gesture, silence).

Access rules for Year 2

	English tasks: picture talk, listening, reading, writing	Maths
What you may say	Only the words in the script. Do not explain words, translate, point or show what to do. You may repeat an instruction once if the child asks or clearly did not hear: write **R**.	**Read every question aloud.** Repeat it in English as often as needed and point to the picture. You may show with counters, but do not do the question for the child.
Chinese	Not used by you.	If a Chinese-speaking colleague is present and the child cannot follow the English after you have read it aloud, the colleague may say the question once in Chinese. Mark the item **L**. The mark still counts.
Answers	English words, marks on the picture and pointing count. An answer in Chinese scores 0.	Written numbers, ticks, drawings and spoken answers in English all count. An answer in Chinese scores 0.
Not yet taught		If the child or parent tells you the child has not learnt a topic ("我们还没学"), mark **NT**. It scores 0; list it in the summary.

Codes in this booklet: **R** instruction repeated once; **L** language support in maths; **NT** not yet taught. Extra time, a reader or extra breaks for a known need are allowed: record them in the score summary.

Keeping the child at ease

- Praise effort, never correctness: "You are working hard!", "Thank you!", "Good listening!" Use the same warm tone after right and wrong answers. Never say "No" or "Wrong", and do not correct.
- Some children new to English say very little at first. Smile, wait and move on; never pressure the child.
- If the child is tired, take a short extra break. If the child becomes upset, stop, comfort them and let them go to the parent. Try again later if they recover; otherwise end the visit and record what was done.

Stopping rules

Task	Stop when
Picture talk	the child has not answered three prompts in a row. Finish with an easy "What's this?" so the child ends with success.
Listening	three items in a row score 0. Score the rest 0. (In a pair, carry on until both children have stopped, but score each child's items after their own third 0 as 0.)
Reading screens	as each shared record says.
Maths	three items in a row score 0 in Section A: go on to Section B, which starts easy again. Three in a row score 0 in Section B: stop.
Writing	the child says they cannot do more after one encouragement ("Have a go. Write the sounds you can hear.").

Movement break (about 2 minutes, after reading). Say: "Let's have a break! Stand up. Stretch up high. Touch your toes. Jump three times. Now sit down." Do the actions with the child. It is not scored. Offer water and the toilet.

3. English

3.1 Speaking: picture talk (4 minutes, 1:1, student booklet page 2)

The story has four pictures. 1: Jun walks to school in the sunshine with his school bag. 2: dark clouds come and it rains; Jun holds his bag over his head and is sad. 3: his friend Mei comes and shares her umbrella; they smile. 4: they arrive at school, the sun comes out and there is a rainbow over the school; they wave, and Mei holds her closed umbrella.

How. Open the booklet at page 2. Point to the boy in picture 1: "This is Jun." Point to the girl in picture 3: "This is Mei." Then give the prompts in order. Wait about 5 seconds after each one; if there is no answer, go on. You may

repeat a prompt once. Do not name things for the child or finish their sentences. Write down what the child says, as close to their words as you can.

Step	Say	Listen for	What the child said
1 Open	"Look at the pictures. What can you see?"	Any naming: boy, girl, rain, umbrella, school, sun, rainbow, cloud, bag, tree	
2 Naming	Point to each and ask "What's this?": the umbrella (3), the rain (2), the school (4), the rainbow (4)	umbrella, rain, school, rainbow. Named in English: ___ / 4	
3 Action	Point to picture 1. "What is Jun doing?"	walking to school, going to school, waving	
4 Feeling	Point to picture 2. "What happened here? How does Jun feel?"	it is raining, it started to rain; sad, wet, cold	
5 Action	Point to picture 3. "What does Mei do?"	shares her umbrella, holds the umbrella over Jun, helps him	
6 Explaining	"Why is Jun happy now?"	because he is not getting wet; because Mei helped him	
7 Telling	Point to picture 1. "Tell me the story. Start here."	the four pictures in order, joined with first, then, next, after that; some past tense (walked, rained)	
8 Predicting	"What do you think Jun will do tomorrow?"	take his umbrella; say thank you to Mei; share with Mei; check the weather	
9 Personal	"What do you do when it rains?"	talks about their own life	

Speaking band at age 6 (examples from this story)

Band	What it sounds like at age 6	Example
A New to English	Silent, nods or points; perhaps one or two English words; may speak in Chinese	points to the umbrella; "雨伞"; "rain"
B Early acquisition	Names several things in English; single words and short phrases; little description	"umbrella", "rain", "boy sad", "school"
C Developing competence	Simple sentences, often in the present tense and with errors; can describe each picture but does not join them	"He go to school." "It is rain." "She give umbrella."
D Competent	Tells the story in order with joined sentences; explains with "because"; some past tense; errors do not get in the way	"First Jun walk to school. Then it rained and he was sad because he don't have umbrella. Mei share her umbrella."
E Fluent	Tells the story as a fluent English-speaking 6 year old does: past tense, sequence words, feelings and reasons, ideas of their own	"Jun was walking to school when it started to rain. He got all wet. Then Mei shared her umbrella with him, so they stayed dry. Tomorrow he will bring his own umbrella."

Speaking band from the picture talk: **A** **B** **C** **D** **E**. The final speaking band is the best fit of the picture talk and the interview (Section 5).

What to look for

- A strong response tells the four pictures as one story, uses sequence words and the past tense, and gives reasons. A weak one names objects picture by picture.
- Do not count against the child: missing -s and -ed, "a" and "the", "he" and "she" mixed up, accent features (l and r, light final consonants). They are normal for learners.
- A child who cannot tell the story in English but, as the parent describes, talks well in Chinese has an English barrier only. A child who says very little in either language may need a speech and language check: see the

interview record.

3.2 Listening: follow instructions (4 minutes, 1:1 or pair, page 3)

Set up. Open the booklet at page 3 (the farm). Put the four crayons on the table: red, blue, yellow and green. Do not name the colours. Every item leaves a mark on the page, so you can check the marks afterwards; item 9 also needs you to watch the order.

Say: "Let's play a listening game. Look at this picture. Listen carefully and do what I say. You will draw and colour on the picture. Ready?" Practice, not scored: "Put your finger on the picture." (Smile.) "Good!"

Rules

- Say each instruction **once**, at a natural, steady pace. Look at the child, not at the picture. Do not point, nod or gesture.
- If the child asks, or clearly did not hear, you may say it once more: tick **R**. A correct response after one repeat still scores.
- A small mark of the right colour on the right thing is enough. Say "Just a little bit of colour is fine" if the child starts colouring carefully. Drawings only need to be recognisable and in the right place.
- **Score 1** only when every part is right, and in the right order where the instruction says "then" or "before". Otherwise 0. No half marks.
- Stop after three 0s in a row.

No.	Say	Type	Correct response	R	Mark
1	"Draw a circle round the tractor."	one step	a circle round the tractor		
2	"Colour the sun yellow."	one step	yellow on the sun		
3	"Put a cross on the hen on the fence."	position: on	a cross on the hen sitting on the fence, not the hen on the ground		
4	"Draw a circle round the sheep behind the fence."	position: behind	a circle round the sheep on the right, behind the fence rails; not the sheep in front of the fence		
5	"Draw a flower between the two trees."	position: between	a flower drawn in the space between the big tree and the small tree		
6	"Colour the barn door red and colour the duck yellow."	two steps	red on the barn door and yellow on the duck (either order)		
7	"Draw a circle round the small pig, then put a cross on the cow."	two steps	a circle round the small pig (not the big pig) and a cross on the cow		
8	"Draw a line from the dog to the barn, then draw an apple on the small tree."	two steps	a line joining the dog and the barn (any route), and an apple on the small tree (not the big tree)		
9	"Before you colour the big pig, draw a fish in the pond."	sequence: before	draws a fish in the pond **first**, then colours the big pig (any colour)		
10	"If the dog is in the pond, colour the dog. If the dog is not in the pond, colour the pond blue."	condition: if	colours the pond blue and does not colour the dog (the dog is on the grass next to the pond)		
	Total				**/ 10**

Band guide (Year 2)

Score	0 to 2	3 to 4	5 to 6	7 to 8	9 to 10
Listening band	A	B	C	D	E

What to look for

- Items 1 and 2 need everyday words; 3 to 5 need the position words on, behind and between; 6 to 8 need the child to hold two instructions and words such as small, big, barn and pond; 9 and 10 need grammar ("before", "if … not").

- Right object, wrong colour: score 0, but note it. Colour words may be the only gap.
- A child who does only the first part of each two-step item is probably holding too much new English at once. A child who copies the other child (in a pair) should be seated further away; note it.

3.3 Reading: Early Reading Screen and Graded Sentence Reading Screen (12 minutes, 1:1)

Use the Early Reading Screen (`shared/Early_Reading_Screen_Cards.md` and `shared/Early_Reading_Screen_Record.md`) starting at Section 1 of the phonics words, words 1 to 10 (Year 2 start point in the guide, Section 2). If words 1 to 10 are easy (9 or 10 right, most read without sounding out), skip the letter sounds; if not, finish Section 1 and then do the letter sounds. Then use the Graded Sentence Reading Screen (`shared/Sentence_Reading_Card.md` and `shared/Sentence_Reading_Record.md`) starting at Level 1.

The full scripts and rules for the Early Reading Screen are in `shared/Early_Reading_Screen_Guide.md`. Follow the scripts, scoring and stopping rules in each shared record; this booklet has no reading tasks of its own. All answers are in English, including the answers to the questions about what the child has just read. At the start of Year 2 a fluent reader usually has Level 1 of the sentence screen secure and often Level 2. Stop kindly and praise the child's effort. Copy the results into the score summary (Section 6). Then take the movement break.

3.4 Writing (6 minutes, 1:1 or pair, pages 11 and 12; given after maths)

Give the child a pencil. Do not spell any word, sound out, or write for the child.

Part 1: a dictated sentence (page 11). Point to the lines under "1". Say: "I will say a sentence. Listen to all of it first." Say the sentence at a natural pace:

> "At the zoo I saw a baby panda."

Say: "Now write it here." Say the sentence again. Then say it in three parts, waiting while the child writes each part: "At the zoo ... I saw ... a baby panda." You may repeat a part once if the child asks. Then say: "Now check it."

Part 2: the picture story (page 12). Point to the story. Say: "This is the story about Jun and Mei. Write what happened. Write 2, 3 or 4 sentences." If the child is stuck, say once: "What happened first?" Do not give words or sentences. If the child asks how to write the names, write "Jun" and "Mei" on a slip of paper: the names are not part of the spelling score. When the child finishes, say "Can you read it to me?" and write down what they say.

Dictated sentence: word check

Word	At	the	zoo	I	saw	a	baby	panda
Correct	☐	☐	☐	☐	☐	☐	☐	☐
All sounds shown ("zu", "sor", "babee", "pander")	☐	☐	☐	☐	☐	☐	☐	☐

Words correct: ___ / 8. ☐ capital A at the start ☐ capital I ☐ spaces between words ☐ full stop ☐ all eight words in the right order

The content words (zoo, saw, baby, panda) are not on the reading cards, so the child has not just seen them written.

Writing checklist (the story)

Area	Tick what you see	Notes
Content	☐ about the story ☐ two or more pictures told ☐ in order ☐ a feeling or reason	
Sentences	☐ 2 or more sentences ☐ joined with and, then, because ☐ some past tense	
Spelling and punctuation	☐ common words correct (the, was, he, she, to) ☐ longer words plausible ("umbrela") ☐ capital letters ☐ full stops	
Handwriting	☐ letters correctly formed ☐ on the line ☐ spaces	

Four criteria

Score each 0 to 4 for the whole writing task (1 and 3 lie between the descriptions).

Criterion	0	2	4	Score
Content and organisation	Nothing written, or not about the story	One or two ideas from the story, not yet in order ("rain. umbrella.")	Three or four pictures told in order, with a feeling or reason ("Jun was sad because he got wet.")	/ 4
Vocabulary	No English words	Simple nouns and verbs (rain, school, go)	Words chosen for the story: umbrella, shared, wet, rainbow, friend	/ 4
Grammar and sentences	No phrase or sentence	Short sentences or phrases, mostly present tense, with words missing ("He go school.")	Simple sentences that are mostly correct, some in the past tense, joined with and, then or because	/ 4
Spelling and punctuation (both parts)	Random letters, or letters not linked to sounds	About half of the dictated words correct; other words show most sounds; little punctuation	6 or more of the 8 dictated words correct; other words plausible; capital letters and full stops used most of the time	/ 4
			Total	**/ 16**

Writing band (best fit with the descriptors; the totals are only a guide)

Band	Writing at age 6	Typical total
A	Copies, writes their name or a few letters; may write in Chinese; dictated sentence not attempted or random letters	0 to 3
B	A few dictated words correct or plausible; one word, label or phrase about the story	4 to 7
C	About half the dictated sentence correct; one or two short sentences about the story that can be read with help	8 to 10
D	Most of the dictated sentence correct; two or three sentences that another adult can read, mostly in order	11 to 13
E	Comparable to a fluent English-speaking 6 year old (below)	14 to 16

What band E looks like at age 6. The child writes the dictated sentence with nearly all the words correct ("panda" or "baby" may be a small slip), with a capital A at the start, a capital I and a full stop. They write three or four sentences that tell the story in order, using the past tense most of the time (walked, rained, shared), joining ideas with "and", "then" or "because", with spaces between words, and capital letters and full stops in most places. Longer words are spelt plausibly ("umbrela", "rainbo"). This matches the end of Year 1 expectations for a fluent English speaker.

Spelling from children who speak Chinese

- Pinyin letter values may appear ("zu" for zoo, "sao" or "so" for saw, "pan da" written as two syllables). Count them as "all sounds shown" and copy them into the notes.
- Missing -ed ("Jun walk"), missing "a" and "the", and "he" for "she" are features of a learner's English: judge them under grammar, not as spelling.
- Writing in English may not have been taught in a Chinese kindergarten. A child who writes only pinyin or characters may still be a capable writer in Chinese: note it.

What to look for

- Strong: holds the whole dictated sentence in mind, spells the common words correctly, tells the story in order with feelings and reasons.
- English barrier: forms letters well and copies the names, but cannot find the English words to tell the story; often writes a list of nouns.
- Note handwriting separately: fine motor control is not English.

4. Maths (15 minutes, 1:1 or pair, student booklet pages 4 to 10)

Content: Year 1 of the UK National Curriculum, with a few easier items first. **Section A: Number problems** (items 1 to 10, 10 marks). **Section B: Word problems and pictures** (items 11 to 20, 10 marks, including 5 word problems: items 12, 14, 15, 16 and 18). Total 20 marks.

How

- Give the child a pencil and a rubber; put the pot of 20 counters on the table. Say: "Now let's do some maths. I will read every question to you. Write your answer in the box. You can use the counters."
- Show the example at the top of page 4: "Look. 2 plus 1 is 3. The 3 is in the box. Sometimes you put a tick in a box, like this."
- **Read every question aloud** with the words in the tables below. Then you may repeat it in English as often as needed and point to the picture. A Chinese-speaking colleague may say it once in Chinese (mark **L**).
- Accept a spoken answer if the child cannot write it: write what they said beside the box and score it. Reversed digits (a backwards 2 or 7) are fine if the number is clear.
- After the session, write 1 or 0 in the mark box on each page, with NT or L beside it.
- Stop as in Section 2: three 0s in a row in Section A, go to Section B; three in a row in Section B, stop.

Section A: Number problems

No.	Say	Answer, and what else is acceptable	Notes
1	"Number 1. Five plus three. Write the answer in the box."	**8**	
2	"Number 2. Nine take away four. Write the answer in the box."	**5**	You may also say "nine minus four".
3	"Number 3. Look at the numbers. Two numbers are missing. Write the missing numbers in the empty boxes."	**40** and **42**. 1 mark for both.	40 for the middle box shows counting across a ten.
4	"Number 4. What is one more than forty-nine? Write it in the box." Then: "What is one less than seventy? Write it in the box."	**50** and **69**. 1 mark for both.	410 or 491 for "one more than 49" shows the child joins digits rather than counts.
5	"Number 5. Six plus what makes ten? Write the missing number in the box."	**4**	
6	"Number 6. Count in twos: two, four, six. What comes next? Write it in the box." Then: "Count in fives: five, ten, fifteen. What comes next?" Then: "Count in tens: ten, twenty, thirty. What comes next?"	**8, 20, 40**. 1 mark for all three.	
7	"Number 7. Eight plus six. Write the answer in the box."	**14**	Crossing ten may not have been taught.
8	"Number 8. Fifteen take away seven. Write the answer in the box."	**8**	Crossing ten may not have been taught.
9	"Number 9. Thirteen plus what makes twenty? Write the missing number in the box."	**7**	Number bonds to 20 may not have been taught.
10	Point to each part as you read. "Number 10. Seven is the same as what number take away nine? Write the missing number in the box."	**16**	The equals sign at the start may not have been taught; 2 (from 9 take away 7) is the common wrong answer.
		Section A total	**/ 10**

Section B: Word problems and pictures (WP = word problem)

No.	Say	Answer, and what else is acceptable	Notes
11	"Number 11. Look at the pencil. How long is the pencil? Count the cubes. Write the number in the box." Then point to the balance: "Look at the balance. Draw a circle round the heavier one."	**7** cubes, and a circle round the **book**. 1 mark for both.	The book side is down. A circle round the apple shows the child does not yet read a balance.
12 WP	"Number 12. Li Na has 8 stickers. Her friend gives her 5 more. How many stickers does Li Na have now? You can draw in the big box. Write the answer in the small box."	**13**	Compare with item 7: 8 plus 6.
13	"Number 13. Put a tick under the cube." (wait) "Put a tick under the cylinder."	Ticks under the **cube** and the **cylinder**, and no other shape. 1 mark.	A tick under the square instead of the cube is the common slip. English names of 3D shapes may not have been taught.
14 WP	"Number 14. There are 3 rows of cakes. There are 5 cakes in each row. How many cakes are there? Write the answer in the box."	**15**	Counting in ones scores. Counting in fives is a sign of a stronger start. Arrays may not have been taught.
15 WP	"Number 15. Grandma has 12 mooncakes. She puts them on 3 plates. Each plate has the same number. How many mooncakes are on each plate? You can draw on the plates. Write the answer in the box."	**4**	Sharing (平均分) may not have been taught.
16 WP	"Number 16. Today is Friday. What day is tomorrow? Write it on the empty page, or tell me."	**Saturday**, written or said. Any plausible spelling ("Saterday", "Satday"). An answer in Chinese scores 0.	English day names may not have been taught.
17	Point to the big clock. "Number 17. What time does this clock show? Write the time in the box." Then point to the three small clocks: "Put a tick under the clock that shows half past 9."	**4 o'clock** (also "4", "4:00", "four o'clock"; 4点 said in Chinese, L), and a tick under the **third clock**. 1 mark for both.	Clocks may not have been taught. The first clock (9 o'clock) is chosen by a child who looks only for the 9; the second (half past 3) by a child who looks only at the long hand.
18 WP	"Number 18. Tom has 10 balloons. He gives half of them to his sister. How many balloons does he give to his sister? You can draw circles round the balloons. Write the answer in the box."	**5**	Half of an amount may not have been taught.
19	"Number 19. Look at the three shapes. Which shape is one quarter grey? Put a tick under it."	A tick under the **square** (the third shape).	The middle shape has four parts that are not equal (its grey part is more than a quarter), so it does not show quarters: a tick under it shows the child counts the parts but does not check they are equal. Quarters may not have been taught.
20	"Number 20. Look at the arrow. It points to the tree. The arrow makes a half turn. Put a tick on the picture it points to now." (wait) "Now start at the tree again. The arrow makes a quarter turn to the right. Put a cross on the picture it points to now." Do not turn your hand or the booklet.	A tick on the **car**, and a cross on the **house**. 1 mark for both.	Half and quarter turns may not have been taught. A cross on the flower shows left and right mixed up.

Number problems and word problems. The word problems use the same number skills as Section A: item 12 matches item 7, and items 14, 15 and 18 use counting, sharing and halving with a picture. A child who does well on the number problems but poorly on the word problems may have an **English barrier rather than a maths difficulty**: check by reading the word problem aloud again, pointing to the picture, and, if a Chinese-speaking colleague is present, having it said once in Chinese (mark L). Record the result in the notes.

Likely not yet taught

A child who has finished the top year of kindergarten (大班) has not usually started the Grade 1 textbook, and kindergartens are asked not to teach primary school content (去小学化), although many children have done extra classes. Ask the parent.

Item	May not have been taught
7, 8, 9	Adding and subtracting across ten, and number bonds to 20 (Grade 1 in the PEP textbook)
10	Missing numbers with the equals sign at the start
6	"Count in twos, fives and tens" in English (counting itself is usually strong)
13	The English names of 3D shapes (3D shapes are met in Grade 1)
14, 15	Multiplication with arrays and sharing equally (Grade 2)
16	English day names (Chinese numbers the days: 星期一 to 星期六, then 星期日)
17	O'clock and half past (Grade 1)
18, 19	Halves and quarters (fractions start in Grade 3)
20	Half and quarter turns (left and right are usually known)

What to look for

- Strong children answer Section A quickly and in their heads, and use the pictures in Section B only to check. Counting in fives for item 14, or halving by knowing that 5 and 5 make 10 for item 18, shows strong number sense.
- An English barrier looks like this: the child is quick on Section A, lost on the word problems, then answers easily once you point to the picture or a colleague says it in Chinese. A maths difficulty looks like this: the child cannot do it even when the meaning is clear.
- Children from Chinese schools often calculate fast but have not met UK pictures such as arrays, quarter diagrams and turns: mark NT where the parent or child confirms it, and say whether the child would probably cope once taught.

5. Play-based interview and goodbye (6 minutes, 1:1, page 13)

Use the questions and record in `forms/Interview_Record_Y1_Y2.md`. Sit at the low table, open the student booklet at page 13 (Draw) and offer the crayons: the record starts with a drawing ("Can you draw you, doing something you love?"). Play alongside, talk about the drawing and follow the child's lead. Give the speaking band on the interview record, then combine it with the picture talk for the final speaking band in the score summary. The observation boxes in the record cover the whole visit, so fill them in now.

Goodbye. Say: "Thank you, ___! You worked really hard today. I liked ___ (something specific, such as your story or your drawing). Let's go and find Mum (or Dad)." Do not give any results to the family on the day.

After the visit. Mark everything the same day, complete the score summary below, then the Candidate Summary and Decision.

Say: "This story is called *The Rabbit Lantern*. It is about a boy called Chen Yu at the Mid-Autumn Festival. Read it to me, please. If you do not know a word, try it."

Line	Text: write your marks above the words	E	SC
1	Every year, Chen Yu's class made paper lanterns for		
2	the Mid-Autumn Festival. This year, Miss Wang		
3	showed them how to make a rabbit.		
4	Chen Yu cut out two long ears and glued them on		
5	carefully. But when he held up his lantern, one ear		
6	flopped down. The rabbit's face was crooked, too. Next		
7	to him, Aisha had made a perfect rabbit with neat		
8	pink eyes.		
9	"Mine looks silly," Chen Yu said quietly.		
10	That evening, his family walked to the park by the lake.		
11	The full moon was round and bright, and hundreds of		
12	lanterns glowed in the dark. Grandpa put a small light		
13	inside the rabbit, and it began to shine.		
14	A little girl pulled her mother's sleeve. "Look at that

Gold and White band, Oxford Level 9 to 10. 178 words (the title is not counted). Card 16.

Say: "This story is called *The Drummer*. It is about a boy called Zhang Wei and a dragon boat race. Read it to me, please. If you do not know a word, try it."

Line	Text: write your marks above the words	E	SC
1	Zhang Wei had never felt so nervous. It was the Dragon		
2	Boat Festival, and his school was racing three other boats		
3	on the lake. Twelve children sat in two long rows, holding		
4	their paddles. At the front sat the drummer, and this year		
5	the drummer was Zhang Wei.		
6	"Remember," said Coach Liu, "the paddlers listen to your		
7	drum. Keep a steady beat, and they will paddle together."		
8	The whistle blew, and the boats shot forward. Zhang Wei		
9	was so excited that he beat the drum far too fast. Behind		
10	him, the paddles splashed in a muddle, and the boat began		
11	to wobble. Another boat slid past them.		
12	Zhang Wei took a deep breath. He thought of the clock in		
13	his classroom, ticking slowly and evenly. Boom, boom,		
14	boom. One by one, the paddlers found the beat, and the		
15	boat flew across the water like an arrow.		
16	They did not win, but they came a close second.		
17	Afterwards, Coach Liu shook Zhang Wei's hand. "A good		
18	drummer does not just make a noise," she said. "A good		
19	drummer listens."

1	Literal	What happened at the end of the race?	**They came second (a close second).** Accept "second", "they nearly won", "another boat won". "They lost" alone: ask once "Tell me more."	
2	Vocabulary	"The paddles splashed in a muddle." What does "in a muddle" mean?	**Mixed up; not together.** Accept "messy", "mixed up", "not at the same time", "everyone different", "all wrong".	
3	Inference	Why did Zhang Wei think of the clock in his classroom?	**To help him slow down and keep a slow, even beat.** Accept "to go slower", "to keep the beat", "so they paddle together", "tick, tick, slowly".	
4	Inference	Coach Liu said, "A good drummer listens." What did she mean?	**A drummer must pay attention to the team and the beat, not just bang the drum.** Accept any answer about listening to or watching the paddlers or the beat, or not just making a loud noise.

Graded Sentence Reading Screen: assessor record

Date	
Assessor	

What it is. A quick 1:1 read-aloud screen for every candidate from Year 1 to Year 10. The student reads sentences that get harder, from a reading age of about 5 to adult level, until they can no longer read them. It gives an **indicative reading age**, an accuracy profile, a **fluency** rating and an **understanding** check. It takes 2 to 6 minutes. In Years 1 to 3 it follows the Early Reading Screen; from Year 4 it opens the interview.

You need: the student card (`Sentence_Reading_Card`), this record, a pencil, and a plain card or sheet of paper to cover the sentences the student has not reached yet (this stops a page of text looking frightening).

1. Start, carry on, stop

Year applied for	1	2	3	4	5	6	7	8	9	10
Start at level	1	1	2	3	4	5	6	7	8	9
First sentence	1	1	4	7	10	13	16	19	22	25

- If you already know the student is new to English, start at Level 1 whatever their age.
- **Going back (basal).** If the student scores 6 out of 6 on the start level, give full credit (6 points) for every level below it. If they score less than 6, go back one level at a time until they score 6 out of 6 on a level (or you reach Level 1). Then carry on upwards from the level after the start level.
- **Stopping (ceiling).** Always finish the start level. Then stop at the end of any level where the student scores **2 points or fewer**. Stop straight away if the student scores 0 on **three sentences in a row**, or if they become upset. Levels above the stopping point score 0.

Say: "I would like you to read some sentences out loud for me. They start easy and get harder. When they get too hard, that is fine, we will stop. If you do not know a word, have a go. Ready?" Point to the first sentence. You may say "Have a go" or "Try the next word". Do not sound out, explain or translate any word.

2. Scoring each sentence

Errors in the sentence	Points
none (self-corrections are fine)	**2**
one	**1**
two or more	**0**

These count as one error each

Code	Error	Example
S	**Substitution**: says a different word or a non-word	"horse" for house; "sur-pried" for surprised
O	**Omission**: leaves out a word, or leaves off a written ending that changes the word (-s, -ed, -ing, -ly)	"The frog jump out" for jumped
I	**Insertion**: adds a word that is not there	"the a red bus"

Code	Error	Example
T	**Told**: no attempt after about 5 seconds; say the word, mark T	
	Two words read in the wrong order	one error

These are not errors (mark them, but do not count them)

Code	What happens	Why it is not an error
SC	**Self-correction**: reads a word wrongly, then puts it right	The student is checking meaning.
R	**Repetition** of a word or phrase	
	Pauses, or sounding out and then blending the word correctly	Note it for fluency instead.
	Accent and pronunciation features common for speakers of Chinese, when the word is still clearly the right word: l and r ("lice" for rice), n and l, v and w, th as s, f, d or z ("sink" for think), a light or missing final consonant sound, an extra vowel after a final consonant ("bed-uh"), the -ed ending said in full ("jump-ed"), stress on a different syllable ("ho-TEL", "PHO-to-graph")	These are features of a learner's spoken English, not of reading. If the sound changes the word into a different word that makes sense, and you cannot tell which was meant, count it.
	Names (Ling, Jun, Mei) read in any reasonable way	
	Reading the British spelling as written ("tyres", "colour")	

When you are not sure, give the student the benefit of the doubt and write what they said in the notes. Patterns in the notes (for example missing -ed endings throughout, or pinyin letter values such as "i" read as in pinyin) are useful evidence for the English profile.

3. Understanding (the meaning check)

After each level the student reads with **3 or more points**, ask the meaning question for that level (printed in the record). Read the question aloud once and let the student answer in their own words. Record ✓ (understood), **½** (partly) or ✗ (not understood). The answer must be in English: one word or a short phrase is enough, and pointing to the right words in the sentence also counts. An answer in Chinese is recorded ✗.

4. Fluency

Rate the student's reading on the **last level they read with 4 or more points**.

Rating	What it sounds like
1	Word by word. Long pauses. Little sense of the sentence as a whole.
2	Mostly two- or three-word groups, with some word-by-word reading. Little expression.
3	Mostly in sensible phrases. Some pauses to work out harder words. The sentence makes sense to the listener.
4	Smooth and phrased, close to natural speech, with stress and expression that show understanding.

36	The philosopher's paradoxical aphorisms were considered unfathomable by most of her contemporaries.	☐2 ☐1 ☐0	
	Meaning (sentence 35): "How did the meteorologist feel about the forecast?" *Accept: Did not believe it, doubted it, wanted it checked again.*	☐✓ ☐½ ☐✗	
	Level total	/ 6	

6. Reading age

Total points = points scored + 6 for every level below the basal level that was not read.

Reading age (years:months) = 5:00 + 2 months for every point (0 points: below 5:00). So 6 points = 6:00 (Level 1 secure), 12 points = 7:00, 30 points = 10:00, 60 points = 15:00, 72 points = 17:00 (the ceiling: report "16 years or above" for 66 points or more).

7. What the result means

This screen is not standardised. The reading ages come from the way the sentences were built (how common the words are, the spelling patterns in the English National Curriculum word lists for each year, and the length and

structure of the sentences). Treat a reading age as a range of about 6 months either side. Once 30 to 50 students have taken it, compare their reading ages with the reading paper and with how they get on in class, and adjust the guide below if needed.

The reading band. In Years 1 to 3 the reading band comes from the Early Reading Screen; in Years 4 to 10 from the reading paper. This screen confirms the band. Use the table as a guide; if this screen and the main reading result differ by more than one band, look for the reason (below).

Reading age compared with actual age	Years 3 to 5	Years 6 to 10
At or above actual age, or close below it	up to 6 months below: **E**	up to 12 months below: **E**
Below	7 to 12 months below: **D**	13 to 24 months below: **D**
Well below	13 to 24 months below: **C**	25 to 42 months below: **C**
Far below	25 to 36 months below: **B**	43 to 60 months below: **B**
Very far below, or Level 1 not secure	more than 36 months below: **A**	more than 60 months below: **A**

- **Years 1 and 2.** Many fluent English speakers score 0 to 6 points at the start of Year 1. At the start of Year 2 a fluent reader usually has Level 1 secure and often Level 2. Use the reading age as supporting evidence only.
- **Decoding ahead of understanding.** If the meaning checks on the last two levels read are mostly ✗, move the band down one. This is common for students who learnt phonics or the phonetic alphabet well but have a small English vocabulary: they can "say" words they do not know.
- **Understanding ahead of decoding.** A student who understands well (✓ throughout) but stops early on long, rare words may be a confident English user who has had little reading practice, or may have a specific difficulty with reading. Look at the Early Reading Screen or the reading paper and, if there is a pattern, raise it in the summary.
- **Low fluency** (rating 1 or 2) with a good reading age often means effortful decoding: the student will find long texts in English tiring at first.
- **Level 1 not secure** at any age: use the letter sounds and Section 1 words of the Early Reading Screen to find what the student knows.

Others present (for example receiving homeroom teacher; Chinese-speaking colleague)	

About 6 minutes, 1:1, play-based. Most of what you need about a 5 or 6 year old comes from watching them during the whole visit, not from questions. This short chat, at the end of the visit, is **in English**. It has three jobs: to hear the child's spoken English, to get to know the child (likes, family, friends, **what they want to be**), and to judge their readiness for the international programme. Use the observation boxes in Section 4 for the whole visit.

How to do it. Sit on the floor or at a low table beside the child. Offer paper and crayons: "Can you draw you, doing something you love?" Talk about the drawing. Ask the main question first; if the child does not answer, use the **easier** prompt (a choice, a yes or no, or "show me"). Wait. Praise effort. Never press a child who is upset; stop and let them go back to their parent.

Safeguarding. A young child is never alone with one adult behind a closed door. If a child says something that worries you, write down their words and pass it to the Designated Safeguarding Lead the same day.

1. Questions

Topic	Main question	Easier	Notes
Me	What is your name? How old are you?	Show me with your fingers.	
	Tell me about your picture.	Is this you? What are you doing?	
Family	Who lives at your home?	Do you have a brother? A sister? A pet?	
Likes	What do you like to play?	Do you like to run? Draw? Play with blocks?	
	What is your favourite food? Favourite animal?	Do you like noodles? Do you like cats?	
School	Tell me about your school (or kindergarten).	Do you like it? What do you do there?	
	Who are your friends?	Do you play with friends?	
Feelings	What makes you happy?	Are you happy today? (point to a happy or sad face)	
When I grow up	What do you want to be when you grow up?	A teacher? A doctor? A footballer?	
Here	Would you like to come to this school? What would you like to do here?	Do you want to play here? Learn English here?	

2. Speaking band

Circle the band that fits best, for a child of this age.

Band	What you hear
A New to English	No English yet, or one or two words. Uses Chinese, pointing or silence. May copy a word you say.
B Early acquisition	Single words and short phrases ("cat", "my mummy", "I like red"). Understands simple questions with gesture or pictures.
C Developing competence	Short sentences about familiar things ("I play with my friend"), with errors. Understands most simple questions.
D Competent	Talks in sentences, tells you about the picture or a simple event, joins ideas with "and" or "because".
E Fluent	Talks as a fluent English-speaking child of 5 or 6 would.

Speaking band: **A** **B** **C** **D** **E** Listening in conversation: **A** **B** **C** **D** **E**

3. Observations during the whole visit

Tick what you saw, and add a note.

What to look for	Seen	Notes
Separates from the parent without great distress, or settles within a few minutes	☐	
Joins in the activities and stays with each one for a few minutes	☐	
Follows a simple instruction (with gesture if needed)	☐	
Holds a pencil or crayon with control; draws a person with several parts	☐	
Takes turns, shares, waits	☐	
Shows curiosity: looks, touches, asks, explores	☐	
Copies new English words, or tries to	☐	
Recovers when something is hard or when they do not understand	☐	
Uses the toilet, coat and shoes independently (ask the parent)	☐	

4. Readiness

Rate each strand. **1** Concern, **2** Some concern, **3** Good, **4** Strong. Write the evidence.

Strand	What strong looks like at this age	Rating	Evidence
Attitude to learning	Enjoys the activities, has a go, pleased with success	☐1 ☐2 ☐3 ☐4	
Curiosity and engagement	Interested, explores, asks questions	☐1 ☐2 ☐3 ☐4	
Social and emotional readiness	Settles with new adults, manages separation, plays alongside or with others	☐1 ☐2 ☐3 ☐4	
Independence	Manages simple tasks and self-care for age	☐1 ☐2 ☐3 ☐4	
Kindness and conduct	Gentle, polite, shares	☐1 ☐2 ☐3 ☐4	
Readiness for learning in English	Happy in an English-speaking setting, tries words, is not distressed by not understanding	☐1 ☐2 ☐3 ☐4	

5. Anything to follow up

Area	Tick	Notes
Speech and language (for example very little speech in Chinese as well as English, unclear speech for age)	☐	
Attention, hearing, vision, movement or fine motor skills	☐	
Wellbeing (for example very anxious, very tired)	☐	
Safeguarding (passed to the Designated Safeguarding Lead the same day)	☐	
Medical or dietary	☐	

Speech in Chinese. Ask the parent how the child speaks in Chinese (Parent Conversation Record, Section 4). A child with little English but age-appropriate Chinese is a typical English learner. A child who also has very little speech in Chinese for their age may need a speech and language check: raise it with the parent gently, as a question rather than a conclusion.

6. Receiving homeroom teacher (optional)

First impressions and what the child would need in the first weeks (for example a buddy, picture cards for routines, a familiar comfort object, a gradual start).

Language used (and interpreter if any)	

About 15 minutes. Hold it while the student does the written tasks with another adult, or straight after. Use the family's preferred language; a Chinese-speaking colleague should lead or interpret if the staff member does not speak Chinese. The aim is a two-way conversation: to understand the child and the family's hopes, to explain how the international programme works, and to check that what the family wants matches what the school offers. Do not discuss the assessment results on the day.

1. Why the international programme?

Question	Notes
Why are you looking for a place in the international programme, and why now?	
What do you know about how the programme works (lessons in English, the UK-style curriculum, assessment, homework, activities)?	
Whose idea is the move, and how does your child feel about it?	

2. Schooling so far

Question	Notes
Schools attended, years, and type (Chinese mainstream, bilingual, international, overseas)	
Any year repeated or skipped? Any long gaps?	
Why is the child leaving their current school?	
Student registration (学籍): where is it held now, and what will happen to it? (admissions office to give the school's position)	
School reports, certificates and any assessments the family can share	

3. Languages

Question	Notes
Which languages are spoken at home, and by whom?	
How has the child learnt English so far (school lessons from which grade, classes outside school, tutor, online, time abroad, English-speaking carer)? About how many hours a week?	
Does the child read in English at home? In Chinese?	
How will the family support English at home (reading, media, activities), and support Chinese if that matters to the family?	

4. Learning, health and development

Ask gently and explain why: the school wants to have the right support ready from the first day.

Question	Notes
What is your child good at? What do they enjoy most?	
Has any teacher or doctor ever raised a concern about learning, speech and language, attention, behaviour, hearing or vision? Any assessments or reports?	
Any extra help at the current school?	
Medical conditions, allergies, medication (also on the school medical form)	
For young children: speech in Chinese for their age, toilet and self-care, sleep	

5. Wellbeing and the week

Question	Notes
How would you describe your child's personality? How do they cope with change?	
Friendships: does your child make friends easily?	
A typical weekday and weekend: after-school classes, tutoring, sport, music, screen time, sleep	
Any big changes in the family recently (a move, a new baby, a parent working away)? Share only what you are comfortable sharing.	

6. Expectations and partnership

Question	Notes
What would make this a successful first year for your child?	
What do you expect from the school (homework, reports, communication, class rankings, exam results)? Explain how the school reports progress and how it communicates.	
How does the family feel about co-curricular activities, sport, arts, service and wellbeing as part of education, not just exam subjects?	
Learning in a new language takes time: explain what is typical (social English often within one to two years; the English needed for academic work often takes several years) and how the school supports it. How does the family feel about this?	
How would the family like to be involved (events, meetings, volunteering)?	

7. Future plans

Question	Notes
What are your hopes for your child in the long term (university, country, career)?	
Do you plan to stay in the international programme through to the end of school?	
Explain the programme's pathway (for example IGCSE, then the sixth form programme) and how it differs from the 中考 and 高考 route, using the admissions office's wording. Does the family understand that moving back to the national exam route later may not be straightforward?	
Year 10 applicants: which IGCSE subjects does the student hope to take? Explain that IGCSE is a two-year course starting in Year 10.	

8. Boarding (only if the child will board)

Question	Notes
Has the child stayed away from home before (camps, boarding, family)? How did it go?	
How independent are they with daily routines, sleep and belongings?	
How will the family keep in touch, and how often will the child go home?	

9. Questions from the family

10. Staff view

	Rating	Notes
Match between the family's expectations and what the programme offers	☐1 ☐2 ☐3 ☐4	
Family's willingness to work in partnership with the school	☐1 ☐2 ☐3 ☐4	
Information to follow up (reports, medical, assessments, 学籍)		

1 Concern, **2** Some concern, **3** Good, **4** Strong.

Consent. The parent or carer agrees that the school may contact the current school (homeroom teacher) for a reference: **Yes** ☐ **No** ☐

Candidate summary and decision

Candidate name	
Date of birth	
Year group applied for	
Current school	
Date of assessment	
Assessor	

Complete within two working days, from the assessor booklet, reading records, interview record, parent conversation and homeroom teacher reference. The bands guide a professional decision; they are not a pass mark (guide, Sections 6 to 9).

1. English profile

Skill	Evidence (scores)	Band
Listening	Listening task ___ / ___ ; listening in conversation	**A B C D E**
Speaking	Interview (and picture talk, Years 1 to 3)	**A B C D E**
Reading	Years 1 to 3: Early Reading Screen book band _____ accuracy ___% questions ___ ; phonics words ___ / 40 ; letter sounds ___ / 26 and ___ / 18 ; tricky words ___ / 20. Years 4 to 10: reading paper ___ / 24 (A ___ B ___ C ___)	**A B C D E**
Reading aloud	Sentence reading: points ___ / 72 ; reading age _____ ; actual age _____ ; meaning checks ___ ; fluency ___	indicative **A B C D E**
Writing	Writing task ___ / 16	**A B C D E**
Overall English	The band most of the four skills sit in. If one skill is two or more bands below the others, say which.	**A B C D E**

A New to English, **B** Early acquisition, **C** Developing competence, **D** Competent, **E** Fluent (comparable to a fluent English speaker of the same age).

2. Maths and science

	Score	Band	Number problems (Years 7 to 10 v2: fluency)	Word problems (v2: word questions)	Applied (v2 only)	Not yet taught (NT)	Language support (L)
Maths	___ / ___	**1 2 3 4**	___ / ___	___ / ___	___ / 12		
Science (Years 5 to 10)	___ / ___	**1 2 3 4**					

1 Well below expected (Years 7 to 10 v2: below expected), **2** Working towards, **3** Expected, **4** Greater depth. The v2 papers are harder, so their band boundaries are lower (guide and booklets). A student who does well on number problems but poorly on word problems may have an English barrier rather than a maths difficulty. In the Years 7 to 10 v2 papers, a student strong in fluency and word questions but weak in applied problems needs teaching in problem solving, not more content. Questions marked NT score 0; say whether the student is likely to reach the expected band once taught.

Year 10 only: readiness for IGCSE (Year 10 assessor booklet, Section 6). English course: ☐ First Language ☐ English as a Second Language ☐ to decide. Maths tier: ☐ Extended ☐ Core ☐ to decide. Overall: ☐ Ready ☐ Ready with support ☐ Not yet.

Assessor's comment on maths and science (strengths, gaps, NT topics, English barrier or not):

3. Suitability

Source	Summary	Concerns (any strand rated 1)
Student interview (strands rated 1 to 4)		
Parent conversation (match of expectations, partnership)		
Previous homeroom teacher reference		
School reports and documents		
Follow-ups (special educational needs, wellbeing, medical, safeguarding referral made)		

4. Recommendation

Use the decision guide in `00_Admissions_Guide.md`, Section 9. Tick one.

	Recommendation
☐	**Offer.** Ready to join the year group with normal class support.
☐	**Offer with English support.** Ready academically; needs a planned English programme (state the level below).
☐	**Offer with a learning plan.** Needs catch-up in named maths or science topics, or other planned support; review date set.
☐	**Further assessment before a decision.** For example a second visit, a trial day, a specialist assessment, or more information from the family or school.
☐	**Unable to offer at this time.** The programme cannot meet the student's needs now. Give the reason and, where possible, what would change the decision.

Year group confirmed: _____ (by age: yes / no; if no, give the reason and who approved it)

5. Support from the first day (if offered)

Area	Plan
English support level	☐ Intensive (new to English) ☐ Timetabled support lessons ☐ In-class support and monitoring ☐ None needed
Maths and science catch-up	
Reading (book band or reading age to start from)	
Pastoral (buddy, homeroom check-ins, boarding support)	
Information for the homeroom teacher	
Review date (for example after six weeks)
