Student interview and suitability record: Years 7 to 10

Candidate name	
Year group applied for	
Date	
Interviewer	
Others present (for example receiving homeroom teacher; Chinese-speaking colleague)	

About 15 minutes, 1:1. The interview is held **in English**. It has three jobs: to hear the student's spoken English (the speaking band), to get to know the student (interests, learning, wellbeing, **future plans and aspirations**), and to judge their **suitability** for the international programme. It opens with the Graded Sentence Reading Screen (start Level 6 for Year 7, 7 for Year 8, 8 for Year 9, 9 for Year 10; record on `shared/Sentence_Reading_Record.md`).

How to ask. Start with the main question. If the student struggles, use the **easier** prompt (a yes or no, or a choice). If they answer easily, use the **stretch** prompt. This lets every student show their best English. Wait at least five seconds before rephrasing. Answers must be in English.

Safeguarding. Keep the door open or another adult present. If a student tells you something that worries you about their safety or wellbeing, do not promise to keep it secret; listen, write down their words, and pass it to the Designated Safeguarding Lead the same day.

3. Speaking band

Circle the band that fits best. Use the evidence from the whole interview.

Band	What you hear
A New to English	Little or no spoken English, or single memorised words and phrases ("I am fine"). Relies on Chinese, gesture or silence. Understands very little unless supported.
B Early acquisition	Short answers and simple memorised sentences on familiar topics (family, school, likes). Frequent errors in word order, verbs and plurals. Needs the easier prompts. Understands slow, simple questions.
C Developing competence	Answers most main questions with connected sentences, using "because", "but", "so". Errors are frequent but meaning is usually clear. Vocabulary is everyday; searches for words on less familiar topics. Can give a short opinion with a reason.
D Competent	Speaks at length on most questions, explains and gives examples, handles the stretch prompts with some effort. Errors are occasional and rarely affect meaning. Some subject and abstract vocabulary.
E Fluent	Speaks as fluently and accurately as a fluent English speaker of the same age. Handles abstract and hypothetical questions easily, with a wide vocabulary.

Speaking band: **A** **B** **C** **D** **E** Listening in conversation (how much of your English they understood): **A** **B** **C** **D** **E**

Notes on pronunciation and intelligibility (pronunciation features of a speaker of Chinese do not lower the band if the student is easy to understand):
